Hi Cynthia,

I just saw this email. Do you need anything during the next week? Your schedule sounds exhausting!

Please let me know. If you come up one evening and dont want to make dinner, I would like to get you dinner. It can be delivery or I could make you something and drop it off!

I hope you are having a good week

Tiffany

I have signed up and paid my \$25.00.. However because of the big Gold King Mine Spill that happened in Colorado late last week, my emergency team has been activated.

We are currently working 12 hour days for 7 days a week. I don't think I am going to be able to go. Can someone else use my pass?

I would be happy to give it to someone.

Nancy, I am especially sorry to back out on you. I was looking forward to spending the day with you.

Good Morning,

We have received a few messages that the evite link was not allowing any new registrations. This has been addressed and new registrations for the Security Summit 2015 will be accepted through 8:00 pm this evening.

This is an important topic for our churches and we trust this will be a benefit to each of you. We have over 175 people registered and we have room for a few more folks.

Respectfully,

Wayne

In light of recent tragic events at churches and other entities, we have received a heightened number of requests for security information at churches. First United Methodist Dallas has graciously agreed to host a "Church Security Summit 2015." It will be held on Thursday, August 13th from 9:00 am to 3:30 pm. The first attachment is the evite invitation with a link to register for the seminar. Please note that the \$25 charge covers the Summit, parking and lunch.

The second attachment is a Risk Management Alert on "Church Violence."

Please let me know if you have any questions on the Summit or the Risk Management Alert. Hope to see you on August 13th.

Respectfully,

Wayne
